1. The ICNC corpora were created from texts provided to the Institute of the Czech National Corpus (ICNC) on the basis of an agreement about their non-commercial use. I, therefore, agree that I will use the access to these corpora solely for educational, research, pedagogical and other non-commercial purposes.

2. In case of publishing concordances, collocations, frequencies or any other data (further referred to as data) gained from any of the ICNC corpora, I will mention also the pertinent work. The used quote will not exceed 100 words of a continuous text.

3. I will send a copy of a published work, in which data from the ICNC corpora were used, to the ICNC in printed or electronic version for the purpose of its archiving.

4. The ICNC corpora access is not transmissible to other people and is granted for one year with a possibility of further extension. The ICNC reserves the right to limit or cancel the access at any time.
